Cleaning the surfaces inside and outside of your cab helps prevent coronavirus from spreading. Follow this cleaning checklist everyday using soap and water.

**INSIDE**
- Gear stick and handbrake
- Steering wheel and levers
- Dashboard and radio
- Window and door handles
- Windscreen and mirror
- Mobile phones and chargers

**OUTSIDE**
- Door handles and grab rails
- External side mirrors
- Wanderleads and susie cables
- Jerrycans and water taps
- Ladders and rails
- Ratchet straps and tie downs
