# COVID-19 CLEANING CHECKLIST FOR DRIVERS

## INSIDE

## OUTSIDE

Gear stick and handbrake

Door handles and grab rails

Steering wheel and levers

External side mirrors

Dashboard and radio

Wanderleads and susie cables

Window and door handles

Jerrycans and water taps

Windscreen and mirror

Ladders and rails

Mobile phones and chargers

Ratchet straps and tie downs

Cleaning the surfaces inside and outside of your cab helps prevent coronavirus from spreading. Follow this cleaning checklist everyday using soap and water.
